

You'll find diggers, dumpers, and all kinds of heavy machinery in these books, now, LET'S GET

Construction Countdown

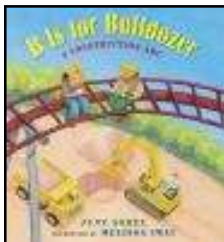

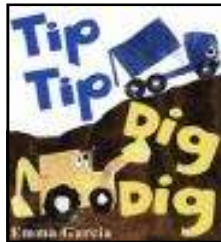

By K.C. Olson E OLSON

Ten mighty dump trucks rolling down the road. Nine earthmovers scraping up a load . . . Count down from ten to one with the busy construction trucks!

Tip Tip Dig Dig

By Emma Garcia E GARCI

Six different construction vehicles do their jobs tipping, digging, and rolling, to help build a new playground. But they're not done until they figure out what to do with all the mess!

B is for Bulldozer

By June Sobel E SOBEL

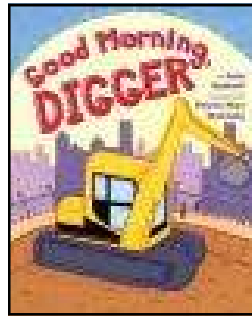

Get ready for a ride through the alphabet at a busy construction site. There's a big yellow Bulldozer, a tall shiny Crane, and a rusty red Dump truck--and the construction crew is

hard at work. But what are they building?

Building With Dad

By Carol Wevius E WEVIU

Dad's helping to build a new school, and he takes his son to watch its progress. They see lots of machines at work: a dump truck, a backhoe, an earthmover, a giant grader, a steamroller, a cement mixer, a crane, and more. Finally, the school is finished--just in time for the first day.

Good Morning, Digger

By Anne Rockwell E ROCKW

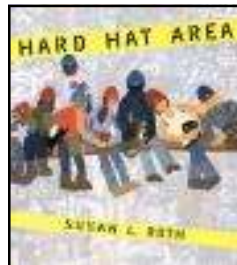

With lively language and detailed illustrations, this fun book shows the different stages of a building's construction, and a young boy watches in fascination as workers transform a vacant lot into a new neighborhood

center.

DIG!

By Andrea Zimmerman E ZIMME

Dig up rock and dig up clay! Dig up dirt and dig all day! Mr. Rally and his faithful dog, Lightning, have a busy day ahead of them, but they don't mind. What could be more fun than using a big yellow backhoe to build a pool at the school and a drain for the rain?

Hard Hat Area

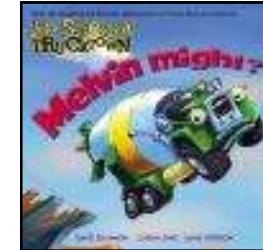

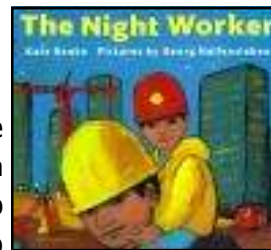

By Susan Roth E ROTH

With a fascinating variety of materials, labels, and photographs from an actual site, this book offers a unique day-in-the-life look at Kristen's interesting and busy job as an ironworker's apprentice on some of New York City's tallest buildings.

The Night Worker

By Kate Banks E BANKS

When darkness falls and bedtime comes, Papa tucks Alex in, then puts on his hard hat and goes to work. Papa is an engineer who works at night. "Take me with you," Alex says. "Not tonight," says Papa. But one night Papa has a surprise -- a hard hat for Alex!

Melvin Might?

By Jon Scieszka E SCIES

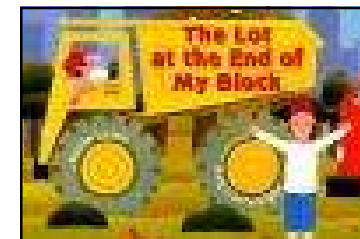

Cement Mixer Melvin worries a lot. He worries he might get dirty. He worries he might get stuck. He even worries he might get worried. But one fateful day Rescue Rita is in need of a little rescuing, and Trucktown's biggest worrywart is the only one who can save the day. There's just one problem: He worries he can't.

Who Made This Cake?

By Chihiro Nakagawa

E NAKAG

Imagine a tiny construction crew using miniature vehicles and tools to assemble ingredients, make a batter, pour it into a pan, load it in the oven, and ice the final product—a birthday cake for one lucky boy!

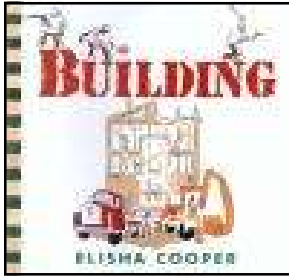

The Lot at the End of My Block

By Kevin Lewis

E LEWIS

In a rhyme that follows the pattern of "This Is the House That Jack Built," a young boy tells the story of how an empty lot is transformed into an apartment building. He introduces the workmen, the wall they build with a hole in it, each piece of equipment, and everything he observes through this window to their world.

Building

By Elisha Cooper
E COOPE

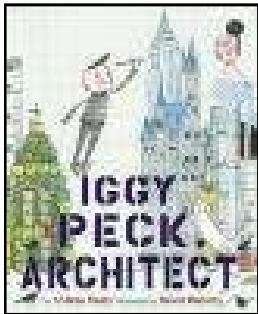

It begins with an empty city lot and ends with a gleaming new building. But what happens in between? Curious

young builders will relish the funny observations while they learn about everything that happens at a construction site.

Those Building Men

By Angela Johnson
E JOHNS

Here is a testament to the remarkable men from common walks of life who built the marvels of American civilization. These individuals, who are largely forgotten in history books, built the Erie Canal, the great railroads, and the tallest of skyscrapers.

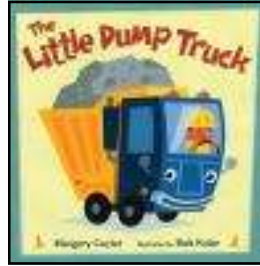

Iggy Peck, Architect

By Andrea Beaty
E BEATY

A hilarious, irreverent book about doing your own thing Meet Iggy Peck—creative, independent, and not afraid to express himself! Iggy has one passion:

building. His parents are proud of his fabulous creations, though they're sometimes surprised by his materials. But he loves building too much to give it up!

The Little Dump Truck

By Margery Cuyler
E CUYLE

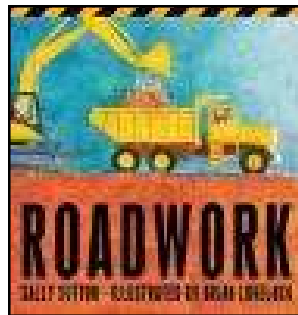

Meet Hard Hat Pete and his little dump truck as they haul stones and rocks, carry debris, and unload at the landfill. It's hard work, but the little

dump truck is ready for action. Preschool children will revel in the day-to-day activities of this mighty dump truck. The lyrical text, bright pictures, and sturdy pages are just right for budding truck enthusiasts.

Construction Zone

By Cheryl Willis Hudson
(Easy) J 690 HUDSO

Caution! Construction zone ahead! Anyone who has ever stopped to watch a big building going up — and who hasn't? — will be thrilled with this behind-the-scenes look at an amazing construction project. Put on your hard hat and step inside the construction zone!

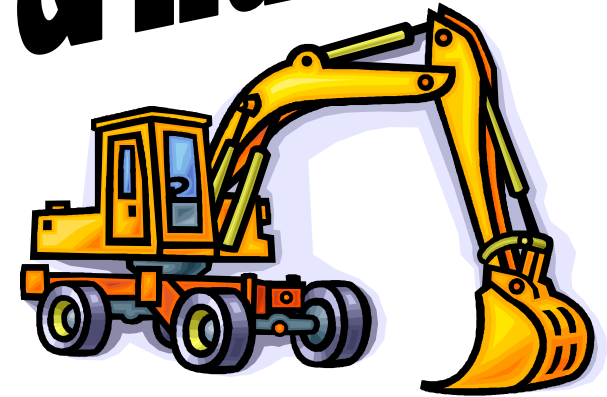

Roadwork

By Sally Sutton
E SUTTO

Every preschooler who is mad for machines is sure to revel in this bright, boisterous picture book about the exciting process of building a road.
